Brent, thank you for following up on my request. Please contact me if you have additional questions.

- 1) Are you employed by O. R. Colan Associates? No
- 2) If not, would your work for them or other consultants be as an independent contractor? Yes
- 3) Would the consultant include your name or the services you may render in the bid for the project? Yes
- 4) What is the Disaster Recovery Unit's Program requirements: 21 PARA 3402 entail in general? This entails the cleaning of the waterway of Turkey Creek to improve drainage.
- 5) Was your brother appointed or elected as a Police Juryman for Franklin Parish? Elected by his district (6).
- 6) Is the Turkey Creek Drainage Project solely under the supervision of Franklin Parish? The Franklin Parish Police Jury has a grant consultant and an engineer. All the grant funds flow through the Parish and under their control.

Thank you,

Subject: Advisory Opinion Request Follow-up

Importance: High

Good afternoon Gary,

I recently received your advisory opinion request concerning you potentially entering into a contract with O. R. Colan Associates, LLC or other consultants that may be selected by the Franklin Parish Police Jury for the Turkey Creek Drainage Project. In order for the Board to more properly respond to your request, please answer the following:

- 1) Are you employed by O. R. Colan Associates?
- 2) If not, would your work for them or other consultants be as an independent contractor?
- 3) Would the consultant include your name or the services you may render in the bid for the project?
- 4) What is the Disaster Recovery Unit's Program requirements: 21 PARA 3402 entail in general?
- 5) Was your brother appointed or elected as a Police Jurymen for Franklin Parish?
- 6) Is the Turkey Creek Drainage Project solely under the supervision of Franklin Parish?

I may have some follow-up questions. I appreciate your prompt attention to this matter.

Thanks,

Brett Robinson
